PUNE: City-based KPIT Cummins Infosystems Ltd has announced the appointment of Amit B. Kalyani as a Director on the board of the company, as per a company release.

"With extensive experience in auto and auto components, Amit brings a wealth of experience to the board of KPIT Cummins. Moreover, as executive director of Bharat Forge Ltd., a leading player in the manufacturing industry in India and abroad, KPIT Cummins will benefit with his invaluable perspective on the automotive and manufacturing sectors," said Kishor Patil, CEO & Managing Director, KPIT Cummins Infosystems Ltd. Kalyani holds a Bachelor's degree in Mechanical Engineering from Bucknell University, Pennsylvania, USA. At Kalyani Steels Ltd. he was deputed to Carpenter Technology Corporation, USA for technical training and to oversee technology transfer to the newly formed joint venture, Kalyani Carpenter Special Steels Limited. On successful completion of this assignment, he returned to India in 1998 to join Bharat Forge Limited as Vice President & Chief Technology Officer. Kalyani also serves on the boards of Kalyani Net Ventures, Bharati Sahakari Bank, Nandi Economic Corridor Enterprises, and Epicenter Technologies to name a few.

KPIT Cummins Infosystems Limited is a consulting partner and provides Automotive and Semiconductor Solutions, Business IT, Business Intelligence and Business Process Outsourcing, Knowledge Process Outsourcing for manufacturing and diversified financial services verticals. The company has forged strategic partnerships with Cummins (Manufacturing / Automotive) and Lehman Brothers (Financial Services).
