KPIT Cummins announces a new Board member

Dr. Srikant M. Datar, Senior Associate Dean of Harvard Business School will join the Board of Directors

Pune 26 March, 2007: KPIT Cummins Infossystems Ltd. (BSE: 532400; NSE: KPIT), a global IT consulting organisation has announced the induction of Dr. Srikant M. Datar as a new Board member.

Dr. Datar is Arthur Lowes Dickinson Professor of Accounting & Senior Associate Dean of Harvard Business School. A Gold Medalist from Indian Institute of Management, Ahmedabad, Gold Medalist from Institute of Cost and Works Accountants of India, a Chartered Accountant, he holds a Ph.D. from Stanford University. Dr. Datar's areas of interest are Strategy implementation and execution, Cost management and management control areas and Corporate Governance. He has worked with many global corporations on consulting and field-based projects in management accounting and control. He is a winner of George Leland Bach Award for Excellence in the Classroom at Carnegie Mellon University and Distinguished Teaching Award at Stanford University. He is also the co-author of the leading text book on Cost Accounting.

"As a rapidly growing Trans National Company, we need guidance of someone with a global perspective on the emerging international business scenario. Dr. Datar brings with him vast experience and keen perception on the key trends in the world of a business. We are extremely happy to welcome Dr. Datar to our Board." said Mr. Ravi Pandit, Chairman & Group CEO, KPIT Cummins Infossystems Ltd.

Forward Looking Statements

Some of the statements in this update are forward-looking statements. These forward-looking statements include our financial and growth projections as well as statements concerning our plans, strategies, intentions and beliefs concerning our business and the markets in which we operate. These statements are based on information currently available to us, and we assume no obligation to update these statements as circumstances change. There are risks and uncertainties that could cause actual events to differ materially from these forward-looking statements. These risks include, but are not limited to, the level of market demand for our services, the highly-competitive market for the types of services that we offer, market conditions that could cause our customers to reduce their spending for our services, our ability to create, acquire and build new businesses and to grow our existing businesses, our ability to attract and retain qualified personnel, currency fluctuations and market conditions in India and elsewhere around the world, and other risks not specifically mentioned herein but those that are common to industry.
